📣 Job Vacancy: Software Developer
📍 Location: Yang Khor Private Limited
⏱️ Employment Type: Fulltime
💼 Department: Engineering/Product Development
📅 Application Deadline: **25-05-2025**

🚀 About Us

Yang Khor Private Limited is a leading technology solution provider in the country. With over 19+ years of experience in the technology industry, we specialize in providing our customers with a tailored service at an affordable price. Our customers benefit from a bespoke service that is tailored to each customer's needs. Quality of service and the commitment of our team have ensured the highest level of customer satisfaction.

💻 Job Summary

We're seeking a talented Software Developer to design, develop, and maintain high-performance applications. You'll collaborate with cross-functional teams to deliver robust solutions while staying ahead of industry trends.

🔧 Key Responsibilities

- Develop and maintain scalable, secure, and efficient software.
- Collaborate with product managers, designers, and QA teams.
- Write clean, well-documented code and review peers' work.
- Troubleshoot, debug, and optimize existing systems.
- Stay updated with emerging technologies and best practices.

✅ Qualifications & Skills

Must-Have:

- Bachelor's degree in Computer Science or related field (or equivalent experience).
- Proficiency in JavaScript/Python/Java/C#.
- Experience with React/Node.js/.NET/Django/SQL.
- Strong problem-solving and algorithmic thinking.

Nice-to-Have:

- Familiarity with cloud platforms AWS/Azure.
- Knowledge of DevOps tools (Docker, Kubernetes, CI/CD).
- Contributions to open-source projects or a strong GitHub profile.

🎁 Why Join Us?

- Competitive salary + performance bonuses.
- Flexible work (remote/hybrid options).
- Learning budget for courses/certifications.
- [Add other perks: Team retreats, health insurance, stock options, etc.].

📩 How to Apply

Interested candidates are required to submit the following documents:

- Curriculum Vieta
- Copies of educational certificates, professional certifications, and other relevant documents
